Backend: Node.js, Express.js, RESTful APIs, WebSockets

Databases: MongoDB, MySQL

Core Concepts: Data Structures & Algorithms, OOPs, DBMS, Operating Systems

Tools: Git, GitHub, Postman, VS Code

Projects

AI-Powered Job Preparation Platform

React.js, Node.js, Express.js, JWT, Gemini AI, Puppeteer, MongoDB

- A web application designed to assist users with job preparation using AI technology.
- Developed a full-stack web application using React.js and Node.js to assist users in job preparation.
- Implemented resume processing to extract and analyze candidate information.
- Integrated AI-powered interview preparation using Gemini AI to generate personalized questions and feedback.
- Implemented secure user authentication using JWT-based authentication.
- Automated browser tasks and data extraction using Puppeteer.
- Designed responsive UI and real-time interactions for enhanced user experience.

AI-Powered Real-Time Chat Application

Node.js, Socket.IO, JWT, MongoDB, AI Integration

- Designed a real-time backend system for AI-driven chat using Socket.IO with JWT-based authentication.
- Enabled users to create and manage multiple AI conversation sessions.
- Integrated AI service to generate contextual responses based on chat history.
- Stored and managed conversation data in MongoDB.
- Implemented context handling to maintain continuity across interactions.

Electricity Billing System

Java, Java Swing, MySQL

- Built a desktop billing system with customer and billing management features.

Education

Master of Computer Applications (MCA)

LNCT University, Bhopal

2024 – 2026

CGPA: 8.47

Bachelor of Computer Applications (BCA)

International School of Management, Patna

2021 – 2024

CGPA: 8.18

Experience

Software Developer Intern

Jan 2026 – Feb 2026

Netbeans Systems Private Limited

- Developed responsive UI components using React.js and built reusable components.
- Worked on a government project, contributing to frontend development and feature implementation.
- Integrated APIs and ensured responsive, cross-browser compatible design.

Certifications

- Namaste React (Akshay Saini)

Languages

Hindi (Native) • English (Professional)
